RE: 2023 Mowing Program

Thank you for your interest in our mowing program. We appreciate your willingness to consider this wonderful contracting opportunity as a groundskeeper for our multi- unit housing portfolio. Please read through all the attached information very carefully, as each section is important and necessary for bidding. The proposals will be judged not only on price, but other critical elements as well, which is outlined in the proposal documents.

Again, thanks for your interest and if you have any questions or concerns, please do not hesitate to contact Robert Hamer, III at 765-641-2620 ext. 107 or myself at 765-641-2620 ext. 114
